### KEY PRODUCT BENEFITS

#### Acoustic rating

Certified noise reduction of up to 21 dB

#### Long lasting

Dimensional stability ensures no gaps between joints, even over time

#### Hygienic

A dense sealed surface, and ability to install with sealed joints, eliminates opportunities for bacteria to form

#### Low maintenance

Stain and chemical resistant rubber reduces the detergent, water and energy required for cleaning

#### Safe and comfortable

Non slip rubber flooring material reduces noise and static electricity

#### Environmentally sound

Greenguard Certified
